

## Exclusions

This is a named peril plan and contains exclusions. This means that not every situation or event will be covered under your plan. A full list of exclusions is available in your plan documents. Exclusions may include, but are not limited to, pre-existing medical conditions (unless you qualify per your plan requirements), known and foreseeable events such as certain weather and political events/situations, mental or nervous health disorders, the use or abuse of drugs and alcohol, and participation in extreme high risk sports. Other exclusions apply. If you have any questions related to the exclusions in your plan, please contact us at 800.284.8300.

PLEASE BE ADVISED: This plan contains insurance benefits (which may include disability and/or health insurance benefits) that only apply during the covered trip. This optional coverage may duplicate coverage already provided by your personal auto, home, renter's, health, life, personal liability, or other insurance policy or source of coverage but may be subject to different restrictions. You should review the terms of this policy with your existing coverage. If you have any questions about your current coverage, call your insurer/health plan or insurance agent/broker. This insurance is not required to purchase any other products/services. Unless licensed, travel retailers and their employees may provide general information about the insurance, including a description of coverage and price, but are not qualified/authorized to answer technical questions about terms, benefits, exclusions, and conditions of the insurance or evaluate the adequacy of existing coverage. Plans are intended for U.S. residents only and may not be available in all jurisdictions. Additionally:

**California Residents:** We are doing business in California as Allianz Global Assistance Insurance Agency, License # 0B01400. California offers a toll-free consumer hotline at 1-800-927-4357.

**New York Residents:** The licensed producer represents the insurer for purposes of the sale. Compensation paid to the producer may depend on the policy selected, or the producer's expenses, volume of business, or profitability. The purchaser may request and obtain information about the producer's compensation, except as otherwise provided by law.

**Maryland Residents:** The purchase of travel insurance would make the travel insurance coverage primary to any other duplicate or similar coverage. The Commissioner may be contacted to file a complaint at: Maryland Insurance Administration, ATTN: Consumer Complaint Investigation Property/Casualty, 200 St. Paul Place, Suite 2700, Baltimore, MD 21202.
